This week...

After seven fantastic weeks, **Class 10** have completed their swimming lessons. It was great to see everyone make progress each week, developing their skills, confidence and water safety. Well done Class 10! Class 11 will start their lessons next Tuesday 5th March - remember swimwear and goggles!

OxTrail Update: Mrs Cook and Mrs Cheetham collected our mini ox this week, as part of the Sobell House OxTrail event this summer. Children will soon be decorating our mini ox and naming him. It will then be displayed in a local venue (tbc). Here is an example of one of the large oxen which you will be able to hunt for in the summer trail taking place in OXford city centre.

Assembly

We continued with our reading for pleasure focus this week. We asked the children to think about their favourite film and to consider how a book is the same but with the added value that the brain is able to imagine its own features of the story. We also reminded everyone not to read a book by its cover - the oldest stories with the tattiest covers are well used because they are great to read! A huge amount of books were passed on through the give away in the KS1 playground. This also generated interest during playtimes. There will be a dedicated Reading Newsletter soon.

Pupil Responsibility Groups

The Peer Mentors are currently creating a survey for the school. They spent time walking around school formulating questions they would like to ask everyone. Questions will include things like 'what is playtime like for you?' and 'where do you go for quiet time?'

Congratulations

Well done to Thea who performed with her acro team at Amey Theatre in Abingdon last week. The performance was called 'Into The Limelight' and Thea said the trickiest part was when she had to do a handstand on another person doing a chest stand!

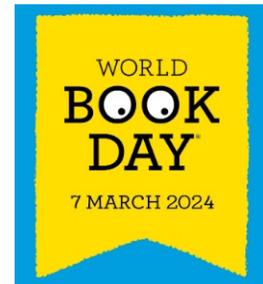

Please see the end of the newsletter for this week's 'Word of the Week'!

Dates for Term 4...

World Book Day - Thursday 7th March

Just a little reminder about World Book Day this term. To mark this day, we are holding an 'Adjective Parade' and are asking all children to come to school dressed as a word that is an adjective. An adjective is a word that describes what something is like, for example, the *shiny* sword. Your chosen word should be clearly displayed within your outfit.

Usborne Sponsored Reading Challenge, 4th - 10th March

To encourage a lifelong love of reading at home and school, we are running a Sponsored Reading Challenge in association with Usborne Books between

Monday 4th March and Sunday 10th March. All children can take part. Children are sponsored to complete as many of the reading challenges in the grid as they can for the duration of the event and all the money raised will go towards brand new books for our school. Please help us to enhance our reading resources for pupils by encouraging your child to raise sponsorship and complete as many of the fun reading challenges as possible.

Sponsorship forms and a challenge sheet have gone home this week - please check your child's bag!

Aspirations Week - Monday 25th - Thursday 28th March

Can you spare an hour to inspire our children?

We are delighted to be holding an 'Aspirations Week' at the end of next term and are still looking for adults to come and talk to the children (either in person or via Zoom) about their job/career. We would welcome speakers from any field of work: nursing, policing, STEM, law, literature, beauty, fashion, sports, voluntary, finance, art/design, leisure etc. If you can spare at least an hour of your time to talk to the children during the week of 25th to 28th March, we would love to hear from you!
